

Resolution 2015-01
Municipal Water Pollution Prevention Program

BE IT RESOLVED by the Town Council of the Town of Snead in the State of Alabama, as follows:

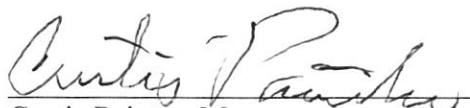

WHEREAS, the Alabama Department of Environmental Management Municipal Water Pollution Prevention (MWPP) Program requires the Snead Town Council review the Municipal Water Pollution Prevention (MWPP) report and:

WHEREAS, the Alabama Department of Environmental Management requires the Snead Town Council to set forth actions to prevent the bypass and overflow of raw sewage within the system or at the treatment plant:

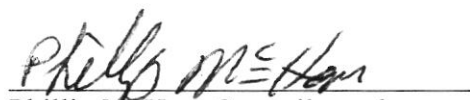

THEREFORE BE IT RESOLVED The Snead Town Council informs the Department of Environmental Management that the following actions were taken by the Snead Town Council.

1. Reviewed the MWPP Annual Report which is attached to this resolution.
2. Set forth the following actions and schedule to maintain effluent requirements contained in the NPDES Permit and to prevent the bypass and overflow of raw sewage within the collection system or at the treatment plant:
 - (a) Continue to monitor and maintain sewer lines and sewer lift station pumps.
 - (b) Continue to inspect and schedule repairs for any sewer line that is damaged or separated.
 - (c) Make every repair necessary to reduce the amount of storm water infiltration into the sewer lines.

Passed by a (majority) (unanimous) vote of the Snead Town Council on this the 27th day of April, 2015 at the Town of Snead Regular Council Meeting.

Curtis Painter, Mayor

Timothy Kent, Councilmember

Phillip McHan, Councilmember
