

RESOLUTION ADOPTING EMERGENCY WATER CONSERVATION PLAN

WHEREAS, the Town of Snead is desirous of supplying its water customers ample supplies of potable water without undue interruptions in such service; and

WHEREAS, the Town of Snead knows that certain conditions can occur, which are beyond the normal control of the Town, that create emergency conditions for the Water System's water supply and these conditions generally warrant emergency response; and

WHEREAS, the Town has been notified by the Alabama Department of Environmental Management that the Town needs to adopt an Emergency Water Conservation Plan.

NOW BE IT THEREFORE RESOLVED by the Town of Snead that the Emergency Water Conservation Plan, which is attached hereto and dated December 2008, is hereby approved and adopted; and

BE IT FURTHER RESOLVED, that the Service Rules and Regulations for the Snead Water System are hereby amended to incorporate the Emergency Water Conservation Plan, as though originally included therein and written out in full; and

BE IT FURTHER RESOLVED, that the Town Council shall, from time to time, review the Emergency Water Conservation Plan, and amend or revise that Plan as changing System conditions warrant.

Adopted and approved this the 22 day of December, 2008.
