COUNTY BLOUNT)
TOWN OF SNEAD)

Resolution 2007-08
Amendment to the Waterworks Rules and Regulations
Resolution 2-78

BE IT RESOLVED by the Town Council of the Town of Snead in the State of Alabama, as follows:

WHEREAS the Mayor and Town Council of Snead, Alabama have reviewed the request of The Blount County Health Department concerning setting of water meters to Residential homes. The Mayor and Town Council realize that action is necessary to safeguard the residential customers and to maintain as sanitary conditions as possible on the Town of Snead Water Works System.

WHEREAS the Blount County Health Department Environmental Officer Mr. James Kelly, has confirmed the need to verify an applicant has an acceptable sewer or septic system; he is requesting that no water meter be set to a new applicant without them having a driveway, a nine-one-one (911) address and suitable sewage disposal.

WHEREAS the Mayor and the Town Council agree it would be in the best interest of the Snead Water System to require each prospective applicant desiring water service to meet these requirements.

NOW THEREFORE BE IT RESOLVED, that the Town Council of Snead, Alabama hereby agrees by Resolution to safeguard not only the current water customers but all prospective applicants.

BE IT FURTHER RESOLVED that the Town Council of Snead and the Town of Snead Water Works System will not and does not assume any liability for any costs for any special work to provide a prospective water consumer service in an area that does not meet the herein stated requirements.

All resolutions or parts of resolutions in conflict with the provisions of this resolution are hereby repealed.

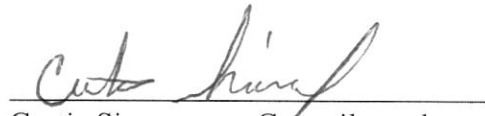

ADOPTED AND APPROVED THIS THE 24th DAY OF SEPTEMBER, 2007.

Curtis Painter, Mayor

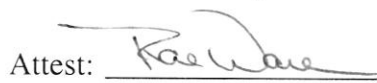

James Campbell, Councilmember

Ronnie Mack Kent, Councilmember
