TOWN OF SNEAD)

## Resolution 2005-04

BE IT RESOLVED by the Town Council of the Town of Snead in the State of Alabama, as follows:

- (1) Whereas CDBG and EDA funds, in conjunction with other funds and related programs are critical to the Town of Snead, a municipal entity, and
- (2) Whereas the improved coordination of these programs may be desirable if such coordination of these programs may be desirable if such coordination does not result in less funds being available for communities and counties, and
- (3) Whereas, reductions and/or elimination of programs, changes in certain funding criteria and arbitrary consolidation can, in fact, result in less, not greater, effectiveness,

IT IS HEREBY RESOLVED THAT THE TOWN OF SNEAD strongly recommends maintaining funding for CDBG, EDA and related programs at their current or increased levels and further recommends that efforts to improve coordination and effectiveness of these programs on the part of the Administration and Congress ensure grassroots input and consultation with state, regional and local jurisdictions and agencies.

NOW THEREFORE, BE IT RESOLVED that this resolution, is hereby adopted and immediately made effective.

ADOPTED THIS THE 23<sup>rd</sup> DAY OF MAY, 2005; BY THE TOWN COUNCIL OF THE TOWN OF SNEAD, ALABAMA.
